children's festival

For festival goers aged 5-12 years

We have a wonderful collection of children's events for you during the week we would have been gathering in our beloved Whitby! There's something for all ages!

Most of it is happening on the **Whitby Folk Week Children's Events** Facebook page. Search for the group name or follow this link:

[facebook.com/groups/861591533935706](https://www.facebook.com/groups/861591533935706) It's a private page with security questions to join. We would ask that, for younger children, parents supervise their children's use of the internet to join in.

Events will mostly be at set times or you can watch later if you prefer. There will be some live sessions on Zoom (find out how to join on the Facebook page) and some videos on the Whitby@Home YouTube too. There is an overall theme of Birds, Bees, Butterflies and Beasties but lots of variation with something for everyone!

Watch out also for Longsword news and activities throughout the week on Facebook. During the week, Sue Coe will share lots of interesting information about the tradition of Longsword and is setting you all a challenge to design a sash for future (live!) workshops at Whitby Folk Week. Details on Facebook.

We are looking forward to hearing from all our regular children and maybe some new faces during the week as well. Have fun!

Whitby Folk Week Children's Festival Team.
