CHILDREN'S FESTIVAL

FOR FESTIVAL GOERS AGED 3-12 YEARS

Welcome to Whitby@Home. We are sad that we can't see you all in Whitby this year but it's great that you're here online.

During lockdown, many of us have really enjoyed growing things in the garden or in pots on the windowsill and there have been walks and trips to the park where we have seen all sorts of trees, flowers, birds, insects and animals. Some tiny, some enormous, some hidden away and some ... well just everywhere!

So, this year our theme will be **Flower Power**. The Children's Team would like us all to celebrate this during our stories, songs and activities this year. There will be lots of other ideas as well so tune in to our activities on Facebook & YouTube and join us during Whitby@Home week - we can't wait to see you all again!

FESTIVAL BUNTING

In case you didn't know, during the festival and over the summer, everyone is being asked to make a flag for bunting which will be displayed at Whitby Folk Week next year. The main festival would like flags made of material of some kind, but it seems more appropriate, certainly for younger children, to use paper and felt tips. We can laminate these for use by the children's workshops next year. Get the template at: www.whitbyfolk.co.uk/whitbyhome-bunting-hunting/

COMPETITION

This year, you can earn points for every activity you join on YouTube and Facebook. Points are also given for the competitions. At the end of the week we will total the points & there will be a prize in each category. The winners will be announced during the Friday afternoon Workshop Showcase and everyone who has taken part will get a certificate emailed out to them.
