I, amongst very many, will miss the truly amazing phenomenal and talented lady **Linda Kelly**, BUT I was the luckiest by far, to stand and sing beside her for 16 years, 3 CDs, and the many miles **Hissyfit** went (including sending Linda round the bend).

I've been reminded of countless giggles, festivals and snatched moments and have appreciated all festival hugs given freely here in Whitby, (other locations are available). We move within an amazingly kind and caring family community.

I wish to say thank you for thinking of me and I know Linda's songs will continue to, and must, be sung across the many miles they've already crossed
